Hosting management item
系統主機申請管理要點

1. PCG hosting application service (hereinafter referred to as the service), storage equipment, server room and system operation and maintenance, hosting management item (hereinafter referred to as the item) are specially formulated.
   寶成系統主機主機申請服務 (以下簡稱本服務)、儲存設備、資訊機房及系統運作與維護, 特訂定寶成系統主機申請管理要點 (以下簡稱本要點)。
   - Please specify the purpose of the application, and it can be sent to the administrative center for review after the unit supervisor and the BU IT supervisor agree.
     申請用途請詳細說明, 並經過單位主管及事業群 IT 主管同意後才能送到行政中心審核。
   - If it is the hosting application proposed by the requesting unit, it should be applied to the ASE before going online, and the hosting application form should be attached.
     若為需求單位提出之系統建置, 應於上線前至 ASE 客服系統線上申請, 並檢附主機租用申請表。
2. The server room of the IT department includes generators, air conditioners, uninterrupted power systems, standard cabinets, and access control. In addition to system or network maintenance, and emergency abnormal events, it provides all services.
   資訊部電腦機房環境包括發電機、空調、不斷電系統、標準機櫃、門禁, 除系統或網路維護管理、緊急異常事件外, 提供全天候服務。
3. In order to maintain the effectiveness of the service and the efficiency of equipment operation, the period of the application submitted by the applicant is based on the principle of one year, and the application should be re-applied every year, and a dedicated person must be designated to manage the leased host as a contact window. The application review unit is the IT department of the administration center.
   為維持本服務有效性與設備運作效益, 申請單位所提申請, 有效期限以一年為原則, 每年應重新提出申請, 並需指定專人管理租用主機, 以作為服務聯絡窗口。審核單位為行政中心資訊部門。
4. Based on the limited resources and effective use of hardware resources, the IT department can install network management software on the system of the applicant unit to monitor whether the CPU, memory, and hard disk resources are used properly and whether the system is abnormal if it does not interfere with

the operation of the system. If the resources are used improperly, the IT department will take the initiative to notify the applicant of the adjustment, and the applicant shall not raise objections or other requirements.

資訊部基於資源有限及硬體資源有效利用，在不妨礙系統運作情況下，資訊部可於申請單位的系統上安裝網管軟體，以監控 CPU、記憶體、硬碟資源使用是否適當以及系統有無異常。若資源使用不當，資訊部主動通知申請單位調整，申請單位不得提出異議及其他要求。

5. Based on security factors, system upgrades and network configuration requirements, the IT department may adjust the IP address and user interface of the applicant unit according to the actual situation. Due to system restrictions, system maintenance or conversion, the service may be temporarily suspended. The IT department should announce or notify the applicants seven days in advance (but in case of emergency, this is not the limit), and the applicants are not allowed to raise objections or other requirements.

   資訊部基於安全性因素、系統升級與網路配置需求，得依實際情形調整申請單位之 IP 位址、使用介面等。基於系統限制、系統維護或轉換需要，得暫時中止本服務運作。資訊部應於七個日曆天前公告或通知申請單位(但於緊急情況時，不在此限)，申請單位不得提出異議及其他要求。

6. If the following things happen to the applicant, the IT department should first suspend the service and notify the applicant to improve it. After the IT department confirms the improvement, the service can be activated. The improvement period will still be included in the lease term:

   申請單位發生下列事情，資訊部應先行暫停本服務並通知申請單位改善，經資訊部確認改善後再行啟用本服務，改善期間仍列入租期：

   - Computer virus, backdoor intrusion, or malicious program.

     中毒、遭入侵或被植入惡意程式者。

   - There is no real-time update to fix the vulnerability, and it is still not processed after notification.

     未即時更新修補漏洞者，經通知後仍不處理者。

   - There are network attacks, improper links to websites, etc., and there are information security concerns.

     進行網路攻擊、連結不當網址等，有資訊安全疑慮者。

   - Send a lot of spam mail.

     發送大量垃圾郵件者。

   - Those who illegally distribute malicious software or violate intellectual property rights.

     非法散佈惡意軟體或侵犯智財權者。

   - The applicant lost contact or did not process the improvement notice requested by the IT department.

申請人失去聯絡或不處理資訊部要求改善通知。

- Others may affect the normal operation of the network and services.

  其他可能影響網路及服務正常運作者。

7. The applicant's use of this service is inconsistent with the original application, and the IT department has the right to suspend the use of the service in advance.

   申請單位使用本服務用途與原申請用途不符, 資訊部具有先行中止使用服務權利。

8. The system must be online within three months of the application date, otherwise, it will be necessary to re-apply if the resources are recovered.

   系統於交機三個月內需完成上線, 否則 resource 收回再重新申請。

9. Applicants who apply for the data stored in the service, installation programs, system setup, etc., must not violate the intellectual property rights, personal data protection law, or other relevant laws and regulations. All laws or compensation responsibilities involved are the responsibility of the applicant. IT department does not bear related responsibilities.

   申請單位申請本服務所儲存各項資料、安裝程式及系統架設等, 不得違反智慧財產權、個人資料保護法或其他相關法令之規範, 所涉及各項法律或賠償責任, 由申請單位自行負責, 資訊部不負相關責任。

10. The information related to the service is only used for related business, and is obligated to keep it confidential in accordance with the Personal Data Protection Law. The IT department shall not disclose it to third parties except in the following circumstances.

    資訊部對本服務相關資料, 僅作為辦理相關業務使用, 並依個人資料保護法規定, 負有保密義務, 除下列情形外, 資訊部不得對第三人揭露。

    - The applicant or the supervisor of the applicant unit requests to view the application.

      當事人或申請單位主管要求查閱申請資料。

    - Circumstances that comply with Article 8 of the Personal Data Protection Law are exempt from notification.

      符合個人資料保護法第 8 條得免告知情形。

    - Comply with relevant laws and regulations and require inquiries in official documents.

      符合相關法令規定並以正式公文查詢。

11. The item can be supplemented or amended at any time. Anything not stipulated will be stipulated in accordance with relevant laws and regulations.

    本要點如有未盡事宜或需要變更者, 得隨時補充或修正之, 未規定之事項悉依相關法令規定。
